## ABSOLUTE FLY

INTERNATIONAL SCHOOL OF  
POWERED PARAGLIDING

Do you want to realize the **Peter Pan** dream? Take advantage of our innovative proposal to really make your holiday unforgettable! Learn to fly with us in **PARAMOTOR** !!!

HOLIDAY IN MOROCCO  
WITH FULL IMMERSION  
TRAINING COURSE FOR  
INTERNATIONAL PILOT'S  
LICENSE, IN 8 DAYS.

**ONLY € 1.549\***

The Mirhleft coast enjoys an exceptionally comfortable climate in winter. Temperatures are high and constant and moderate winds help the learning of the paramotor. The rains are very rare and of very short duration. The villas where the students will stay are modern and equipped with every comfort. There is a restaurant and grocery store on site. The minivan of the organization, with driver, will be at the disposal of the participants for the duration of their stay. The residence features a swimming pool, tennis, table tennis and offers many other activities, such as quad or horseback riding. The attendance fee is set at € 600.00, but the organization reserves the acceptance for the optimization of transport and stays, unless it is subject to a price increase. The attendance fee includes all the services offered to the students, in addition to a two-seater flight with an instructor, paraglider or paramotor.

## **COURSE PROGRAM \***

### **1th DAY**

16:00 - meeting of all participants at Marrakech airport; departure of the minivan;  
20:00 - arrival of Club Evasion, assignment in the villa, accommodation;

Approximately 16:00 departure for Marrakech airport, scheduled arrival approximately 20:00.

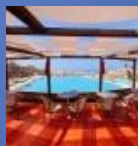

\* The program may be subject to minor variations due to meteorological conditions

\* The program may be subject to minor variations due to meteorological conditions and / or other conditions. The price includes: transport to and from Marrakech Airport with minivan (driver available for the duration of the stay); 8 days stay in villa 5 places seafront location, a few meters from the flying area;

the use of modern flying equipment; didactic materials; third party insurance; personal injury insurance; annual subscription A.P.P.I. and the issuance of the international patent. Exclusions: Anything that is not specifically listed. We guarantee a sound and accurate training, while maintaining the necessary security standards. Our instructors have specific didactic skills and a proven training method, matured in the International Federation of A.P.P.I. and in their numerous participation in European and world competitions. The paramotor is a sport for people of both sexes in good physical condition. We constantly develop our intensive courses in many countries around the world, with excellent results in terms of number of recognized patents and appreciated training standards. The intensive courses offer the opportunity to acquire, within seven to eight days, thanks to the correct and favorable local climatic conditions, the complete awareness and driving ability of this wonderful aircraft.

At the end of the course, we will release the recognized APPI international patent in 103 countries. More information at the addresses [volopuro.it](http://volopuro.it), [APPIfly.org](http://APPIfly.org), [marocevasion.be](http://marocevasion.be), and the next page
